This year's Star-Spangled Pops Concert - an exceptional evening of live music with a special salute to the music of the Civil War and our armed forces, past and present - is jointly presented for the first time by The Marblehead Museum & Historical Society and The Rotary Club of Marblehead Harbor.

The setting is Abbot Hall, proudly decked out for the occasion. Dirk Hillyer and his Festival Orchestra will treat us to an astounding program of music which will also feature one of Marblehead High School's celebrated a capella groups. We are particularly pleased to be hosting the USS Constitution's magnificent color guard who will help open the evening. Marblehead photographer Ulrike Welsch has donated a magnificent photo of Old Ironsides, which has been beautifully framed by Arnould Gallery and Framery, to be raffled off that evening.

Do join us in the grand tradition of American music, history and service.
